GENERAL.

NOTIFICATIONS.

The 14th September 1883.

No. 234.—The Government of India having consented to an alteration of the boundary line of the Civil and Military Station of Bangalore between Boundary Stones Nos. VII and XI, the area thus excluded from the Station limits is declared to be within the Municipal limits of the Town of Bangalore with effect from 1st April 1883, and the following revised description of the Civil and Military Station Boundary line between Boundary Stones VII and XI will be substituted for the description given in Sections VIII, IX, X and XI of the Notification of the 17th May 1881, No. 56.

Section VIII.—From this point the line of the boundary of the Civil and Military Station follows in zigzag the western boundaries of the Byadarahalli fields until it falls into St. John's Hill Cross Road, Point D on Revenue Survey Sheet No. I, where Boundary Stone No. VII is fixed. Thence it passes down St. John's Hill Cross Road just outside the south-western side drain until it reaches the eastern corner of Field No. 668, where Boundary Stone No. VIII is fixed.

IX. Leaving St. John's Hill Cross Road at this point the Station boundary runs south-west along the north-western boundary of Survey Nos. 667 and 68, and at the south-western corner of the latter Number 68, Boundary Stone No. IX is fixed.

X. From Boundary Stone IX the Station boundary runs south-west almost in a straight line just outside the south-east drain of Miller's Road and the western side of Survey Nos. 474, 473, 464 and 455 till the south-western extremity of No. 455 is reached where Boundary Stone No. X is planted.

XI. From Boundary Stone No. X, the Station boundary meeting the north side of the High Ground runs west along the northern boundary of Survey No. 459 up to the north-western corner of that number and thence it passes south along the western boundary of Survey Nos. 459 and 458 till, at the south-western extremity of the latter No. 458, it meets the Boundary Stone No. XI, Point F on Revenue Survey Sheet No. I, thus leaving the "High Ground" within Station limits.

By Order,
K. SHESHADRI IYER,
Dewan of Mysore.

The 10th September 1883.

No. 233.—It is hereby notified for public information that the undermentioned jodi and kayamgutta villages, which have been duly attached in satisfaction of the arrears of revenue due to Government (as shown in the subjoined statement) by the said jodidars and kayamguttadars, will be sold by public auction at the places and on the dates mentioned in the annexed statement. The sale will commence at 11 A. M. on the dates specified, and the villages will be knocked down to the highest bidder without reserve.

2. Provided that when a village is divided into separate recognized vrittis, the Assistant Commissioner may at his option, instead of selling the village as a whole, sell each vritti separately.

3. The purchaser will be required to deposit 25 per cent of the purchase money at the time of sale, and where the remainder of the purchase money may not be paid within fifteen days from the day of sale, the money so deposited shall be liable to forfeiture.

4. When such deposit shall not be made, nor the remaining purchase money paid up, the lands shall be re-sold at the expense and risk of the first purchaser.

5. Persons bidding at the sale may be required to state whether they bid on their own account or as agents, and in the latter case to deposit a written authority signed by their principals, otherwise their bids may be rejected.

6. The sale shall be stayed, if the defaulter, or any other person acting on his behalf, or claiming an interest in the land, tenders the full amount of the arrears of revenue with the interest and other charges, provided such tender be made before sunset on the day previous to that appointed for the sale.

7. The sale of the property will not become absolute until the sale has been confirmed by the Dewan.

8. Purchasers having completed the payment of the purchase money will, as soon as the sale has been confirmed by the Dewan, be placed in immediate possession, and the village will be registered in the name of the purchaser, and a certificate of sale signed and sealed by the Deputy Commissioner will be granted to him. It is to be distinctly understood that the Government are not responsible for errors of description and in estimated extent.

9. Provided parties deeming themselves aggrieved by the sale shall be at liberty to appeal to the Dewan within 30 days from the day of sale, and the purchase shall be conditional on the final order in such appeal.
